About Us

We, Jas Enterprises, are pleased to introduce ourselves as a major market player in the field of size reduction equipment and food processing machinery & equipment. Incepted in 1990, we use the latest technological innovations to engineer and fabricate equipment like Chilli Pounding Machine of various sizes ranging from laboratory scale to heavy-duty industrial models for diverse industries like food, pharmaceutical, mining, glass, ceramic, etc. Red Chilli Pounding Machine is manufactured by us in original design and with enhanced smashing technology for making sure of substantive mechanical and operational efficiency. For improving processing proficiency and decreasing labor force, moreover retaining natural taste & aroma and nutritional properties of produce, our comprehensive models guarantee the robustness of pounding hammer and operational stability. Today, our Red Chilli Pounding Machine can be found in virtually all the major market place of the world - both domestic as well as international.

At Jas Enterprises we take great pride in our ability to custom-design equipment as per the exact specifications of our clients. Our recent merger with Techno Agencies combines the experience and knowledge of the two companies with over 15 years of manufacturing expertise. By modifications in design and simplicity in structure, we produce Chilli Pounding Machine that can perform various multiple functions like grinding, pulverizing, besides being convenient to use and maintain.

Key Facts

Primary Competitive Advantages	pani puri making machine,fafda machine,frying equipment,Small Frying Equipment,sev maker,namkeen making machines,namkeen mixture machine,boondi maker,boondi making machine,onion cutter
No of Staff	21
Year of Establishment	1990
OEM Service Provided	No
Memberships	Gujarat Chamber Of commerce
ProductRange	pani puri making machine,fafda machine,frying equipment,Small Frying Equipment,sev maker,namkeen making machines,namkeen mixture machine,boondi maker,boondi making machine,onion cutter

Our Products

Wheat Grinding Machine

Maize Milling Machine

Impact Pulverizer

Maize Grinding Hammer Mill

Bottom Discharge Hammer Mill

Besan Making Machine

Black Pepper Dal Making Machine

Spice Mill

Multipurpose Dry And Wet Pulverizer

Flour Mill Machinery And Accessories

Mill Masala Mill

Plate Type Grinding Mill

Chilli Grinding Machine

Sugar Grinding Machine

Double Stage Pulverizer

Impax Pulveriser
